Dear Colleague,

on behalf of the World Society of Lingual Orthodontics (WSLO), it is our pleasure to invite you to attend the 10th World Congress of Lingual Orthodontics, to be held in the fascinating city of Rome from 6th-8th March 2025.

Under the leadership of Ryoon-Ki Hong, President of WSLO, Giuseppe Scuzzo, Congress Chairman, and Didier Fillion, Scientific Chairman, this congress promises to be a journey in the technological evolution of Invisible Lingual Orthodontics, as well as an exchange of experience, expertise and new clinical solutions. We have planned an engaging program, which includes keynote sessions, parallel tracks, interactive workshops and plenty of networking opportunities.

Our esteemed speakers will explore the integration of Lingual Orthodontics with other treatment modalities, multidisciplinary and pioneering new hybrid treatment approaches that redefine our orthodontic practice.

In addition, hosting this prestigious event in the timeless city of Rome adds an extra layer of fascination and inspiration. As the eternal city, Rome boasts unique historicity, culture and architectural wonders, providing the perfect backdrop for our Congress. We also invite you to use your time to explore its iconic monuments, savor its culinary delights, and immerse yourself in its unparalleled charm.

Mark in March 2025 this event on your calendar, when we will gather to explore the new trends of invisible lingual orthodontics in a unique opportunity for networking, collaboration and professional growth, ensuring a truly memorable and valuable experience.

Sincerely,
Giuseppe Scuzzo
