Dear Colleague,

on behalf of the World Society of Lingual Orthodontics (WSLO), it is our pleasure to welcome you to the 10th World Congress of Lingual Orthodontics. This congress promises to be a journey through the technological evolution of Invisible Lingual Orthodontics, as well as an exchange of experiences, expertise and new clinical solutions. We have planned an engaging program, which includes keynote sessions, parallel tracks, interactive workshops and plenty of networking opportunities.

Our esteemed speakers will explore the integration of Lingual Orthodontics with other treatment modalities, multidisciplinary and pioneering new hybrid treatment approaches that redefine our orthodontic practice.

We hope you will enjoy this event!

Giuseppe Scuzzo  
WSLO 2025 Congress Chairman
